RE: Discharge Monitoring Report for the Horse Canyon Mine, UPDES Permit # UTG040013

Dear Sir:

The Horse Canyon Mine, UPDES Permit # UTG040013, discharge numbers 001A and 002A are both recorded as no discharge for the months of April, May and June. We used the last of our pre-printed computer forms in April of this year. We are again requesting new Discharge Monitoring Reports. If you could mail us an additional forms for the next twelve months we would be greatly indebted.

Sincerely,
