RE: Proposed Lila Canyon Mine

Dear Dave,

The Southern Utah Wilderness Alliance requests a copy of the mine plan for the proposed Lila Canyon mine. I understand that the mine plan is in approximately seven volumes, and that UDOGM would contract Kinkos or some other business to copy the plan.

Please contact me with a written estimate prior to incurring any costs. After review, I will send a verification that SUWA will cover such costs.

Thank you for your prompt response to this request.

Sincerely,

W. Herbert McHarg
