Copy Dave

NUMBER OF PAGES INCLUDING COVER SHEET: 2

Attached is page 14 from Volume 1. Daron had me change the acreage to 6032.07 at the bottom of the page. I will send you the hard copy in the main. Please call me if you have any questions.

115.200. An application in which the applicant claims the exemption described in R645-103-333 will contain information supporting the assertion that the applicant made substantial legal and financial commitments before January 4, 1977, concerning the proposed coal mining and reclamation operations.

115.200. This section does not apply.

115.300. An application in which the applicant proposes to conduct coal mining and reclamation operations within 300 feet of an occupied dwelling or within 100 feet of a public road will contain the necessary information and meet the requirements of R645-103-230 through R645-103-238.

115.300. UtahAmerican Energy, Inc., will not conduct mining operations within 300 feet of a currently occupied dwelling. UtahAmerican Energy, Inc., will conduct mining or mining related activities within 100 feet of a public road. UtahAmerican Energy, Inc., has received permission from Emery County to construct facilities and operate coal mining activities within 100 feet of a public road. Refer to the Emery County letter found in Appendix 1-4.

116. Permit Term.

116. Permit Term.

Plate 1-2 shows the area of disturbance.

116.100. Each permit application will state the anticipated or actual starting and termination date of each phase of the coal mining and reclamation operation and the anticipated number of acres of land to be affected during each phase of mining over the life of the mine.

116.100. The anticipated starting and termination dates of the coal mining and reclamation operation are as follows:

<u>Phase</u>	<u>Begin</u>	<u>Complete</u>
Mining Pad, Support Structures, and Portals	June 2001	Dec. 2001
Begin Underground work	June 2001	
Terminate Mining	Dec. 2025	

Reclamation operation dates can be found in Table 3-2.

All dates are assuming the extended mine life from acquisition of adjacent federal leases.

Approximately 6032.07 surface acres are included within the permit area.
