RE: Discharge Monitoring Report for the Horse Canyon Mine, UPDES Permit # UTG040013

Dear Sir:

On July 5th, 2001, I checked both UPDES sites Permit # UTG040013 001 and 002 at the Horse Canyon facilities. Both sediment ponds were dry. No discharge was in evidence.

As previously noted, I am out of the pre-printed reporting forms. I would appreciate a minimal of one years forms at your earliest convenience.

Sincerely,

Melvin A. Coonrod
