Re: Permit Renewal, UtahAmerican Energy Inc., Horse Canyon Mine, C/007/013-RN01,
Outgoing File

Dear Mr. Coonrod:

The Division has determined the permit renewal application for the Horse Canyon Mine administratively complete. Publication of the public notice for permit renewal may proceed as required by R645-300-121, for four consecutive weeks. At the end of the 30-day comment period, findings for the renewal will be made and the permit renewed unless a factual basis for denial of the renewal is presented to and upheld by the Division

The proposed escalated bond amount is \$1,253,000 (year 2006 dollars). Please submit the required updated violation history for the Mining and Reclamation Plan, proof of publication and the updated surety bond prior to the expiration of this permit, May 6, 2001.

If you have any questions, please call me at (801) 538-5258.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
