Herb called me at noon today and I told him what was going on and that I had been asked to send him a letter verifying the cost of the copies. He said he has been in touch with KINKO's and verified the cost with them and for me to please **not send the letter, but to call KINKO's and ask them to pick up the stuff and make the copies.** I told him I would use our telephone conversation as verification and call KINKO's as soon as Dave tells me they are ready to copy. He has told them he does not want the maps and that they told him the cost will be \$117. He is going to call and give them his credit card # so they can get the copies to him ASAP. So, Dave, as soon as you are ready, I will call and get the ball rolling.

Let me know and I will come and get the books.

Thanks,

Pam told me to give you Herb McHarg's phone #. You need to call him to let him know you will be working with him to get the plan copied.

Looks like Pam wants me to send a letter anyway. Do you have the address?

Thanks
