Re: Response to Deficiencies Received for Permit Application, Lila Canyon Extension, UtahAmerican Energy, Inc. (UEI), Horse Canyon Mine, C/007/013-PM02B-2, Outgoing File

Dear Mr. Marshall:

Five copies of additional information in the form of narrative and maps were received for the Lila Canyon Extension to the Horse Canyon Mine on December 6, 2002. A C1C2 form accompanies these pages to outline the process of replacement. The five copies will be distributed as follows: DOGM (3), OSM (1), BLM (1).

Thank you for compiling these pages and maps into the two Salt Lake Office copies of the application. Thank you also for hand-delivering a stamped "received" copy to the Bureau of Land Management (Price Office) and to the DOGM field office in Price for insertion into their copies of the application.

The Division is sending a stamped "received" copy of these changes to the proposal with this cover letter to the Office of Surface Mining.

If you have any question, please call Priscilla Burton at (801) 538-5288 or me at (801) 538-5325.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
