Re: Response to TA # 2 Change in Post- Mining Land Use (PMLU), UtahAmerican Energy, Inc. (UEI), Horse Canyon Mine, C/007/013.

Dear Ms. Grubaugh-Littig,

Attached you will find five (5) copies of the response to TA #2 for the change in post-mining land use for portions of Horse Canyon. The application is requesting a change in post-mining land use form wildlife to residential/recreational for those portions within the Horse Canyon permit that are not in Phase II reclamation. The application is in a form that can be inserted directly into the Horse Canyon MRP.

In addition, as per his request, I have sent Jim Dykman, at the Utah Preservation Office, a copy of Attachment #1.

A CD disk with all the photos found in Attachment #1 is included with each application. The photos are in Acrobat slide show format.

As requested, the texture soil text is being run by BYU. Once the analysis has been completed, they will be included in the application.

*Included (RPM)*

I have included completed C1 and C2 forms.

Should you have any questions please call.

Sincerely,

*R. Jay Marshall*
