Copy Daron

Dear Daron:

I reviewing Mary Ann's Agency notification dated March 29, 2004 (attached) I noticed that most of the Lila Canyon Extension to the Horse Canyon Mine is located in Emery County (T16S, R14E). The second paragraph of the letter states "located in Carbon County, Utah". Perhaps the Permit states this but the map indicates that most of the south portion is on us or perhaps more correctly in Carbon and Emery Counties.

Kindest Regards,

Rex Funk,
Road Supervisor

Re: Agency Notification of Determination of Administrative Completeness for Lila Canyon Extension, UtahAmerican Energy, Inc., Horse Canyon Mine, C/007/0013, Task ID #1859, Outgoing File

Dear Mr. Funk:

The Division has determined that the permit application for the Lila Canyon Extension to the Horse Canyon Mine is administratively complete. The application proposes 5992.07 acres be included in the permit area and proposes 25.06 acres be distributed for new surface facilities. This proposed new area is described as follows:

This area is located in Carbon County, Utah in the Wasatch Plateau Coal Field; a permit area map is attached for your information.

In Compliance with the Utah Coal Mining Rules R645-300-121.300, R645-300-121.310, R645-300-121.320, and the Utah Coal Mining Act (UCA Section 40-10-1 et seq.), notice is hereby given to all appropriate agencies having a jurisdiction or an interest in the area of the operations that this application is available for public review.

This permit application is available for public review, and comments may be addressed to:
