Re: Lila Canyon Extension Application UtahAmerican Energy Inc. (UEI), Horse Canyon Mine, C/007/0013, Outgoing File

Dear Mr. Marshall:

This letter is in response to your January 16, 2004 letter notifying the Division that UEI will be submitting a response to the April 8, 2003 Technical Analysis (TA) on or about February 27, 2004.

UEI's pending submittal of the TA response for the Lila Canyon Extension, "Permit Area B" application, will make it more than 10 months since the Division's TA was sent to UEI. It is Division practice to consider "inactive" any application that has been on our shelves for longer than 90 days and send it back. In view of this and due to the time that has elapsed, the Division will require UEI to publish again for public comment.

Please call me at (801) 538-5268 if you have any questions.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
