Re: Correction Notice, Agency Notification of Determination of Administrative Completeness for Lila Canyon Extension, UtahAmerican Energy, Inc., Horse Canyon Mine, C/007/0013, Task ID #1859, Outgoing File

Dear Mr. Howell:

On March 29, 2004 the Division sent out notices to various agencies that the Lila Canyon Extension to the Horse Canyon Mine has been determined to be administratively complete. We erroneously stated in that notice that the area is located in Carbon County. While part of the Horse Canyon Mine does lie within Carbon County, the Lila Canyon Extension area is actually within Emery County. The map that accompanied the notice does show the correct location.

We apologize for any confusion this may have caused. Please call me at (801) 538-5306 or Daron Haddock at (801) 538-5325 if you have any questions.

Sincerely,

Mary Ann Wright

Re: Correction Notice, Agency Notification of Determination of Administrative Completeness for Lila Canyon Extension, UtahAmerican Energy, Inc., Horse Canyon Mine, C/007/0013, Task ID #1859, Outgoing File

Dear Mr. Klein:

On March 29, 2004 the Division sent out notices to various agencies that the Lila Canyon Extension to the Horse Canyon Mine has been determined to be administratively complete. We erroneously stated in that notice that the area is located in Carbon County. While part of the Horse Canyon Mine does lie within Carbon County, the Lila Canyon Extension area is actually within Emery County. The map that accompanied the notice does show the correct location.

We apologize for any confusion this may have caused. Please call me at (801) 538-5306 or Daron Haddock at (801) 538-5325 if you have any questions.

Sincerely,

Mary Ann Wright
