Re: Correspondence to SUWA, Lila Canyon Extension, UtahAmerican Energy, Inc., Horse Canyon Mine, C/007/0013, Outgoing File

The letter from Mr. McHarg to Mr. Haddock dated May 4, 2004 requested that all documents be sent to him rather than Mr. Bloch. The Division will make that change and in the future send all documents and correspondence relating to the above-referenced project to Mr. McHarg.

The letter further requested that Mr. Churchill and Ms. Weinberg be added to the mailing list for information about the Lila Canyon extension. It is Division practice to send information only to one designated official and that person is responsible to forward all correspondence to other individuals in their organization.

If you have any questions, please call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
