**Subject:** Emery County Lila Canyon Road Easement

Wayne,

Emery County has applied for an easement for an access road crossing school trust lands in T16S R14E Sec. 32 to access the Lila Canyon mine. The application was received by our office on or about August 22, 2005. The application is currently in preliminary review, where it is being reviewed internally. Upon completion of this review, which should be by the end of the week, the Director will make the determination of whether to accept or refuse the application. The application was also submitted to RDCC for review and comment on August 29, 2005 and I don't expect to hear anything back from them for a couple of weeks.

I will be faxing a copy of the application to your office momentarily. Let me know if you have any further questions or need further information.

Sincerely,

Chris Fausett  
Lands Coordinator
