Subject: Conditional Approval of Revegetation Standards Clarification and Updates, UtahAmerican Energy, Inc., Horse Canyon Mine, C/007/0013, Task ID #2234, Outgoing File

Dear Mr. Marshall:

The Division received an amendment to update administration matters and to modify the vegetation success standards (refer to task numbers 2022 and 2234). This amendment is conditionally approved upon receipt of five clean copies prepared for incorporation. The Division also requests the Permittee to submit the MRP page that describes the "newly" modified seed mix. Please submit all copies by August 5, 2005. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. A CD of our Technical Analysis is enclosed.

If you have any questions, please call me at (801) 538-5268 or Jerriann Ernsten at (801) 538-5214.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
