Jay,

I have uploaded all of the samples for Horse Canyon from the pipeline into the permanent database. A report is attached. I fixed the problems you cited.

Please let me know if you have any questions.

Hi Dana:

There is some data in the pipeline that needs to be uploaded. I do have a couple of problems. HC-1 and RS-2 will not turn green even when I check the box. Also for RF-1 the acidity parameter needs to be removed and the alkalinity parameter added.

Any questions please call.

Jay
