Subject: Technical Analysis for Lila Canyon Extension (15-Day Review/Request for Meeting), UtahAmericanEnergy, Inc., Horse Canyon Mine, C/007/0013, Task ID #2304, Outgoing File

Dear Mr. Marshall:

Enclosed please find the Division's final determination of Technical Adequacy (TA) for the Lila Canyon Extension to the Horse Canyon Mine. This is being sent to you as required by Paragraph 4 of the Order from the Informal Conference dated July 30, 2004.

As further provided for by that Order, a party to the Informal Conference may request a meeting with the Division to discuss the TA within 15 days of the date of this notification. The Division will schedule and conduct this meeting within 30 working days of the request.

After the meeting, the Division will consider any additional information provided and advise the parties of its response. Unless the Hearing Examiner determines that there is a need for additional public comment, the Informal Conference will be closed, and the Division will prepare a Decision Document. The parties will be provided an opportunity for formal administrative and judicial review of the decision pursuant to R645-300-200.

If you have any questions, please call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
