**RE: Class I Analysis of Archaeological Research – Lila Canyon Mine**

Dear Pam:

Jay Marshall and I appreciated the opportunity to meet with you, Jeriann and Wayne yesterday regarding consultation under Section 106 of the National Historic Preservation Act. As we discussed, we would appreciate a copy of the Class I Analysis of Previous Archeological Research in the area of the Lila Canyon Mine (November 2005), prepared by Jerry Spangler and filed in the Division's administrative record by the Southern Utah Wilderness Alliance. Please call me when the report is ready and we will send a runner for the document.

Thank you for your assistance in this matter.

Very truly yours,

Denise A. Dragoo
