Hi Linda,

I'm not sure where that record (130398) came from. In our database, the name is Consolidated Lands Co. It has the same address as the AVS record, but is marked undeliverable. There is no EIN. Our record was downloaded into the "new" database by the Abandoned Mines Program. There are no permits or licenses or relationships attached to it. I don't think it is the same company that Pam got updates on.

Hi Judy,

Do you have any additional information about this company? I received updates from Pam that has a company named Consolidated Land Co with an address of Pepper Pike, OH, EIN 34-1769562. If they are the same I will build an OFT for the one with the PA address. Otherwise I will create a new company.

Thanks.
