Subject: discrepancy

Hello,

I have an unresolved discrepancy with this company.

The company said that Bruce Hill is not a director.

This is what OH used to create this entry in AVS. Please see pdf above. The company disclosed Bruce Hill as Director. Obviously there is a problem. Since they now say he was never in the position of director in this company then the information sent to OH must have been disclosed in error. I will need a secretary certificate to make the deletion. I have attached an example they may use if they wish.

Thanks.
