Pam,

Attached you will find a letter responding to the request for signature on the Lila PA. It is self-explanatory.

In regards to the MOA:

The site is off the permit area in question.
The BLM is the surface managing agency and the MOA is between the operator, BLM and SHPO.
DOGM and OSM need not be signatories.
As soon as we obtain the three signatures required on the MOA, a copy will be provided to your office.
We believe that the permit can still be issued without the completed MOA.

Please feel free to call with any questions.

Thanks,

S. Rigby
