Good Morning Scott,

I am still working on this company. They have now submitted something different than ever before. They have changed the start date that OH entered on John Forrelli as VP from 12/18/03 to 12/17/04. Would it be OK if I make this change? I will forward you what the company sent me. Please let me know ASAP because UT has a permit hanging on this. Thanks.

Linda Keene
