Dear Mr. Western:

As we discussed at our meeting on June 14, 2006: please find attached a copy of Plates 5-3 and 5-5 that were missing from the Divisions copy of the MRP. In addition I have included Page 3 of IPA-3 geologic log that was also missing.

If you have any questions or find other files missing please give me a call.

Thanks for your hard work.

Sincerely:

R. Jay Marshall P.E.

Chief Engineer and Project Manager.
