Mary Ann, I am preparing a response to your request which I should have to you later today complete with notices of the public hearing, affidavits of publication, minutes of the public hearing and the resulting determination of Emery County confirming the conditions for conducting mining activities within 100 feet of the county road. Thanks! Denise

Meeting of 7/27/07

Subject: hearing for Emery Co Road to Lila extension

Jay - This is a request for UEI to provide the public hearing information on conducting mining activities within 100 feet of a public road. The Division has been aware that UEI was gathering that information from Emery County. Please provide the agendas and minutes of the meeting(s) as we need to have this for our files concerning the requirements of R645-103-234. Thank you. - Mary Ann
