Re: Request for Extension of Time to Comply with Lila Canyon Mine Permit
Extension Conditions

Dear Mary Ann:

On behalf of UtahAmerican Energy, Inc. ("UEI"), we request an extension of time in which to respond to the Division's conditions regarding the Lila Canyon Mine Extension to the Horse Canyon Mine Permit. Specifically, the map depicting the location of raptor nests is due on September 4, 2007 and UEI would appreciate an additional two weeks time period to complete this map. We appreciate your assistance in this matter.

Very truly yours,

Denise A. Dragoo
