Subject: Eastern Shoshoni Cultural Survey Proposal

CC: Mary Ann Wright; Steve Alder

Denise Dragoo advises that UEI is not interested in sponsoring the proposed cultural survey. UEI recommends that, since E. Shoshone are aware of Betsy Chapoose's involvement, that we extend to them the same time frame in which to submit comments that we've offered to Betsy. UEI also notes that a cultural survey by E. Shoshone would duplicate what has already been done.
