Subject: Ownership & Control Information for UEI (Murray Energy) - Lila Canyon Mine Modification

Hi Linda,

On Pam's behalf, I'm forwarding to you a pdf (90 page info packette) of the ownership and control information we recently received from UtahAmerican Energy, Inc (UEI). This information was provided in response to deficiencies identified as part of the review of the Lila Canyon Mine permit modification/extension to the Horse Canyon Mine.

We truly appreciate your assistance in helping us evaluate the adequacy of this information.

I was informed this morning by UEI's counsel during a conference call that we may expect one more document this afternoon from them in this regard. I will forward it to you as soon as possible to complete the packette.

If the size of the pdf size presents a problem and you need a hard copy of this information, please let me or Angela Nance - (801)538-5264, know at your earliest convenience.

Thank you again for your assistance in this matter.
