Re: UtahAmerican Energy, Inc. Horse Canyon Mine 08-001 C/007/013. Revision reflecting the detailed design of the surface facility at Lila Canyon

Dear Mr. Haddock,

Attached you will find three (3) copies of revision 08-001 which reflects the changes in the surface of Lila as a result of the detailed design.

The perimeter of disturbed area remains the same at 42.6 acres. The islands of undisturbed have been reduced resulting in the number of undisturbed within the disturbed decreasing from 33.9 to 25.3

The number of pads remain the same but the locations have been changed. The material storage pad is now the bathhouse pad, the bathhouse pad is now the coal pile pad, and the coal pile pad is now the material storage pad.

As a result of the above changes most maps were revised reflecting the changes.

C1 and C2 forms and CD's are included.

Should you have any questions please call.

Sincerely,

*R. Jay Marshall*

## Application for Permit Processing Detailed Schedule of Changes to the MRP

08-013 Revision to reflect detailed design changes. (Resubmittal)

Permit Number: ACT/007/013

Mine: Horse Canyon

Permittee: UtahAmerican Energy, Inc.

Provide a detailed listing of all changes to the mining and reclamation plan which will be required as a result of this proposed permit application. Individually list all maps and drawings which are to be added, replaced, or removed from the plan. Include changes of the table of contents, section of the plan, pages, or other information as needed to specifically locate, identify and revise the existing mining and reclamation plan. **Include page, section and drawing numbers as part of the description.**
