Wayne:

This legal should reflect the county road and the 6.5 never disturbed
that will be removed from the disturbed area by means of a permit
amendment.

Any questions please call.

Thanks

The Phase III bond release application is for Surety #4892 for \$1,061,328 and covers a total of 91.97 acres. Bond will be retained on approximately .49 acres to cover a small channel. The total amount of bond that will be retained is \$5,000, the remainder \$1,056,328 on the disturbed acres which meet the requirements of the regulations for post mine land use of Wildlife Habitat, including stabilization of lands, restoration of drainages, and vegetation establishment and will be released.

Reclamation of 51.56 acres was completed in 1991 and were included in Phase I and Phase II bond release. The bond release application includes 16.18 acres donated to the College of Eastern Utah Foundation and are covered under an approved post mine land use change, from Wildlife to Residential/Recreation. In addition the .02 acres within the Emery County Road right of way is included in bond release. The public road known as "The Range Creek Road" (24.21 acres) is included in Phase III bond release and will not be reclaimed.

In summary: 51.56 (acres included in Phase I and Phase II bond release)
 16.18 (acres donated to the College of Eastern Utah)
 .02 (acres bridge abutments within the Emery County Road right of way)
 24.21 (acres included in the Emery County Road Right of Way)

 91.97Acres

After Phase III Bond Release .49 acres associated with the channel area will remain.
In addition, 6.5 acres identified as disturbed was actually disturbed will be removed from the disturbed area.
