Subject: Return Detailed Design Changes, Task ID # 2969, UtahAmerican Energy, Inc., Horse Canyon Mine, C/007/0013, Outgoing File

Dear Mr. Marshall:

The Division began the detailed review of your application and found that the contour maps for the pre-mining, operational and reclamation do not match any of the cross sections. Please correct the problem so that the maps and cross section match.

The plans as submitted are denied. We are returning the copies of the amendment application with this letter. Please resubmit the entire application.

Sincerely,

A handwritten signature in black ink, appearing to read "J.D. Smith".

James D. Smith
Permit Supervisor
