Daron:

As you are aware UEI is appealing the fact of violation and assessment of violation #10045. As a result UEI does not know what if any mitigation will be required to terminate the violation.

As a result UEI respectfully request an extension in time for the termination requirements. Should mitigation be required UEI request 30 days from the date of the decision from the assessment conference?

If you have any questions please call.

Thanks

R. Jay Marshall P.E.
