DIV. OF OIL, GAS & MINING

Dear Mr. Marshall:

As an alternative to completing the mitigation plan for bighorn sheep and golden eagles as described in your current Mining and Reclamation Plan the Division of Oil, Gas and Mining (UDOGM), Division of Wildlife Resources (UDWR) and Bureau of Land Management are willing to accept a \$10,000 final payment. This money will be used to help secure additional funding from Utah's Watershed Restoration Initiative to enhance additional acres of wildlife habitat, in and around the area where previous mitigation has occurred. This payment should be made to the UDWR and upon receipt, will fulfill Utah American Energy Inc.'s mitigation obligation for the Lila Canyon mine.

Sincerely,

Ahmed Mohsen
Field Manager
