Re: Sealing longwall district #1

Dear Mr. Effaw:

On July 6, 2021, the Bureau of Land Management (BLM) received notification from Emery County Coal Resources, LLC (ECCR), that they intend to seal Longwall District #1 at the Lila Canyon Mine along with CERCLA Certification. BLM completed an inspection of the district with mine representatives Keegan Patrick and Mike Porter on July 22, 2021.

No equipment or hazardous materials were left in the district. The lowest seals had p-traps and a weir to keep the water from compromising the seals.

Approval: The BLM authorizes ECCR to seal Longwall District #1 which is in compliance with the lease terms and conditions.

If you have any questions or concerns regarding this letter, please contact Erika Tobin at (435) 636-3605 or etobin@blm.gov.

Sincerely,

Chris Conrad
Field Manager
