Re: Gordon Creek #2, & #3-6
Carbon County, Utah

Dear Dave:

The Division is in receipt of your Mining and Reclamation Plan filings for the above mentioned mines. Our review of the submitted plans probably will not take place for several months. At this time, however, it might be expeditious to tell you that after a cursory review of the plans, it appears that more information for these mines and the attendant Mining and Reclamation Plans will be needed.

Enclosed are copies of our standard forms, MR-1 & 2, for the information that we require in a standard Mining and Reclamation Plan. I suggest that you revise your filings by completing the enclosed forms and additionally include maps and cross sections as applicable. We will assist you in completing these forms if you so desire.

Please let us know if you have any questions on this matter.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS
COORDINATOR OF MINED
LAND DEVELOPMENT
