RE: American Electric Power
Exploratory and water monitoring wells.

Dear Mr. Crane:

Enclosed are seven copies of a proposal by American Electric Power to drill one water monitoring well and one exploratory well. One copy has also been forwarded to Mr. Jackson Moffitt, Area Mining Supervisor for the U.S. Geological Survey.

Review of these plans by the Division should be completed by June 29, 1979. If your office has any comments we would appreciate receiving them prior to that date.

Thank you for your cooperation.

Sincerely,

K. MICHAEL THOMPSON
