Re: Gordon Creek #2 Mine  
70-Acre Lease Modification  
Mine Plan Approval  
Standard & Special Stipulations

Dear Mr. Crane:

This letter is to verify that Beaver Creek Coal Company has evaluated the Standard and Special Stipulations contained in Attachment II with your approval of May 5, 1980, and does hereby accept and agree to such stipulations.

It should be noted that the time frames for meeting certain of the special stipulations are quite restrictive; however, in the interest of time and good faith effort, Beaver Creek Coal Company will accept these with the expressed desire that some consideration be given to possible extensions through justifiable and reasonable future requests.

I appreciate your assistance in expediting this plan approval.

Sincerely,

Max A. Robb,  
President
