Dear Mary:

Per our conversation today I am forwarding to you fourteen (14) copies of revised pages to be inserted into Beaver Creek Coal Company's Gordon Creek No. 2 Mine Southwest Lease Permanent Program Application. This information is being sent to you in order that a discussion on topsoil substitute storage may be included in the application. As I mentioned, copies of Plate 3-1a which show the location of the storage area are forthcoming.

If you have any problems or questions concerning this material, please do not hesitate to contact me. Thank you for your time and consideration.

Sincerely,

Scott M. Raymond
