RE: Southwest Lease, Beaver Creek Coal Company, Gordon Creek #2  
Mine, ACT/007/016, Folder No. 3, Carbon County, Utah

Dear Mr. Cox:

The Utah Preservation Office has received a copy of the Southwest Lease application for the Gordon Creek #2 Mine, and has subsequently reviewed Section 5 of that lease. It appears that a cultural resource survey of the area was carried out in 1980, by Utah Archeological Research Corporation, and that no known cultural resources were located. If this is the case in this project area, our office's comments about the adequacy of that survey would still be valid.

Since no formal consultation request concerning eligibility, effect or mitigation as outlined by 36 CFR 800 was indicated by you, this letter represents a response for information concerning location of cultural resources. If you have any questions or concerns, please contact me at 533-7039.

Sincerely,

James L. Dykman  
Cultural Resource Advisor
