Dear Mr. Klein:

Enclosed please find eight (8) copies of Beaver Creek Coal Company's response to the Division's Determination of Completeness Review for the Gordon Creek No. 2 Southwest Lease sent to the operator on November 15, 1983.

The Division will review this submittal and either declare the plan complete or request additional information. If the plan is complete, we will proceed with the Draft Technical Analysis for the entire Gordon Creek No. 2 Mine MRP (including the Southwest Lease).

If you have further questions or comments, please feel free to call me or Steve Cox of my staff.

Sincerely,

JAMES W. SMITH
