RE: Gordon Creek #2 Mine
ACT/007/016
Folder No. 13
Carbon County, Utah

Dear Mr. Gry:

This office has one or more extra copies of the mining and reclamation plan for this mine. These are copies which have been used for review by other agencies and have been returned to us. We find that we do not have adequate room to store these extra volumes and are seeking your help in the disposition of these plans.

Your assistance in dealing with these volumes is requested. Please pick up or make arrangements to have the extra plans removed from our office by January 4, 1984. Please call if we can answer any questions on this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ron Daniels".
