Gordon Creek #2 Mine  
ACT/007/016, Folder No. 3  
Carbon County, Utah

Dear Mr. Klein:

Enclosed please find (6) six copies of Beaver Creek Coal Company's Southwest Lease Permit Application. This plan is submitted as a revision to the Gordon Creek #2 Mine Mining and Reclamation Plan and will be approved as part of that permit to mine.

Your written comments, as well as comments from other Federal agencies, regarding the adequacy of the additional material within 30 days would be greatly appreciated in order that we may maintain our current review schedule and proceed with a Technical Analysis. As agreed, the Division will deliver copies of the plan to the U. S. Fish & Wildlife Service and Bureau of Land Management in Salt Lake City.

If you or your staff have any questions or comments relative to this submittal, please don't hesitate to call Steve Cox of my staff.

Sincerely,
