SUBJECT: Gordon Creek #2 ACR Response
DATE: March 16, 1983

Beaver Creek Coal Company has resubmitted their Mining and Reclamation Plan for the Gordon Creek #2 Mine. It contains additional information in response to our ACR sent out last September. There is a File Copy and a Work Copy on the shelves. Beaver Creek will submit a cross reference for the ACR comments and response location in the near future.

There will be a meeting at 9:30 a.m. on Monday the 21st in my office to discuss a time frame for preparation of a Determination of Completeness document. Let me know if you cannot attend.
