Dear Mr. Klein:

Enclosed please find 7 copies of Beaver Creek Coal Company's "Underground Mining and Permit Application and Mining and Reclamation Plan" for their Gordon Creek #2 Mine. This resubmitted plan contains additional information in response to our joint Apparent Completeness Review sent to the operator on September 30, 1982.

Your written comments, as well as comments from other Federal agencies, regarding the adequacy of this additional material within 45 days would be greatly appreciated in order that we may maintain our current review schedule and proceed with a Determination of Completeness.

If you or your staff have any questions or comments relative to this submittal, please don't hesitate to call Steve Cox of my staff.

Sincerely,
