Dear Mary:

I have enclosed fifteen (15) copies each of the Beaver Creek response to Special Condition Numbers 1, 2, and 8 of our Gordon Creek No. 2 Mine Plan Approval. These responses have been added to the plan at appropriate locations, and the pages provided should replace corresponding pages in the M.R.P.

This should complete any required, dated submissions required in the Special conditions portion of our approval.

If you have any questions or need any further information, please let me know.

Respectfully,

Dan W. Guy
