Dear Mr. Smith:

Enclosed is the concurrence letter recently received from the BLM Moab District Office regarding Beaver Creek Coal Company's Gordon Creek No. 2 mine. Although they make two suggestions regarding surface management on fee land, they have found the application to be complete and adequate.

If you or your staff have any questions regarding this information please call Louis Hamm, or Walter Swain at (303) 837-3806.

Sincerely,

Stephen F. Manger
