RE: GORDON CREEK NO. 2/7 MINE PLANS

Dear Mr. Moffitt:

Enclosed are proposed revisions to our Gordon Creek No. 2/7 Mining and Reclamation Plans. These revisions are being submitted to correct with deficiencies listed in your Dec. 23, 1983 memorandum to O.S.M. Additional copies are being provided to D.O.G. & M. for inclusion in our M.R.P. submittals.

It is our hope that this information will satisfy the 43 CFR 3482.1(c) rules and regulations and allow for your approval. If you have any questions or need any further information, please let me know.

Respectfully,

Dan W. Guy
Manager of Permitting & Compliance
