RE: Beaver Creek Reclamation in Coal Canyon

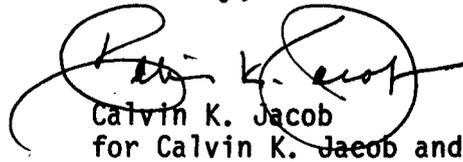

Dear Mr. Smith:

Pursuant to my letter of August 22, 1983, I would like to acknowledge several changes to Beaver Creek Coal Company's reclamation plans for their mining operations in Coal Canyon. It is my understanding that Beaver Creek is required to modify the aforementioned plan as a result of development on my property in Bryner Canyon. The attached map has been modified to reflect those changes and has been signed by me to document my approval.

I am still looking forward to final reclamation of this area in order that Calvin K. Jacob and Sons may use this area for our livestock business. In the meantime, if you have any questions or concerns, please feel free to contact me.

Thank you for your time and consideration.

Sincerely,

Calvin K. Jacob
