Dear Mr. Guy:

RE: Updating Mining and Reclamation Plans, Gordon Creek #2  
Mine, ACT/007/016, #2, Carbon County, Utah

This is in reference to the letter dated November 9, 1984 and signed by Mary Boucek. It was suggested that Beaver Creek Coal Company contact the Division to set up a convenient time to compare the Mining and Reclamation Plan that the Company has in possession with the Division's file copy. This is to necessitate inclusion of the Class I Road portion into the state mine plan copy.

Please contact Steve Cox or Mary Boucek of the Division at you earliest convenience so that this matter can be expedited.

Sincerely,
