Dear Mr. Guy:

Re: Final Approval, Notice of Violation No. N85-08-17-01, Disposal of Spoil Materials from Sediment Pond Reconstruction, Beaver Creek Coal Company, Gordon Creek #2 and 7 Mine, ACT/007/016, file folders 3 & 4, Carbon County, Utah

The Division is in receipt of your letter dated October 27, 1986 which addresses Beaver Creek Coal Company's response to five (5) stipulations. One stipulation, UMC 817.48 (1) - DD was a carry over from a conditional approval dated January 15, 1986 for the NOV referenced above. The operator has resolved the condition by covering the subject waste material with four (4) feet of non-toxic and non-acid forming material.

This letter will serve as final approval and resolution for NOV N85-08-17-01. Thank you for your cooperation in completing this permitting activity.

Sincerely,

D. Wayne Hedberg
Permit Supervisor/
Reclamation Hydrologist
