Dear Mr. Guy:

Re: Final Approval of PAP Amendment, Revised Water Monitoring Plan, Beaver Creek Coal Company, Gordon Creek No. 2 and 7 Mines, ACT/007/016-86A, Folder #3, Carbon County, Utah

The Division received your conditional approval response to the MRP amendment on June 25, 1987. The revised plans and maps have been forwarded to the respective agencies to update all appropriate copies of the approved Permit Application Package (PAP). This letter will serve as the Division's final approval for this permit amendment. Beaver Creek Coal Company has now adequately addressed all of the conditions required by this office to complete this permitting action.

Thank you for your cooperation and prompt response in completing this permitting activity. As always, please call should you have questions or need additional information.

Sincerely,

D. Wayne Hedberg  
Data Management Coordinator
