RE: Revised State Permit
Gordon Creek No.2 and 7 Mines
ACT/007/016, Folder No.3
Carbon County, Utah

Dear Mr. Braxton:

Per our phone conversation on 10/31/88, I have enclosed a signed copy of the revised state permit, and a copy of our latest approved permit area drawing which deletes the county road from the permit area. Also enclosed for your reference is a copy of the request and approval to delete the road from the permit area up to our gate.

I appreciate your help in clearing up this matter. If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
Manager Permitting/Compliance

John: Dan feels there is confusion in our newly issued permit, because the road deleted from the permit 7-15-87 (ACT 007/16-87B) was shown in the permit area in our Perm? Thus he corrected the problem LPS 11-7
